### WHAT ARE SOME OF THE SPECIFICS?

2. You and your discipler will be mutually accountable to each other in these areas.
  - a. Daily Bible reading
  - b. Prayer
  - c. Bible memorization
  - d. Trouble areas in your life
  - e. Work involved in the lessons
3. The discipler will not ask you to do something he/she has not done or is not willing to do in connection with this ministry.
4. It is this ministry's goal that you should begin working with someone else (of your same gender), as soon as possible. You will be teaching them what you have learned and are learning. We do not study together just to gain more knowledge, but to equip ourselves to reproduce Christ who is in us in another.
