

Find answers to the most asked questions...

- Is Jesus truly the son of God?
- Does it matter what church I attend?
- What must I do to be saved?

In the V.B.S. program you are directed through the Bible to arrive at the correct answer, no matter what the question or issue. One of the best features of the program is that it gives the individual who is seeking to know the truth, the opportunity to make an informed decision about the truthfulness of the Bible. Satan does not want you to know what God says, Ignorance is one of his favorite tools.

Why does it work?

It has been scientifically proven that people understand and remember what they can see as opposed to what they can hear only. The V.B.S. series incorporates three of the most important modes of communication:

1. Visual – DVD or VHS
2. Hearing – audio portion of DVD/VHS
3. Hands on – lessons/workbook.

The program encourages informed decisions. The V.B.S. series gives sound historical, biological, scientific and Biblical information. Realizing that it is hard to make good choices without reliable information, the series is packed with good, sound information.

The program clearly demonstrates that you can place full confidence in the Bible as the inspired word of God. It helps someone understand the whole Bible, not just selected parts.

“Man shall not live by bread alone but by every word that proceedeth out of the mouth of God.”

What can you expect?

The V.B.S. series never forgets what to say, how to say it, when to say it! There are five lessons, each containing approximately 35 minutes of good, sound Bible teaching as well as an excellent evangelism tool.

One hour a week for five weeks and with this study plan and the grace and wisdom of God you can lead a lost soul to Jesus Christ.

This study allows you the chance to build a good relationship with the ones you are concerned. At the same time the tape will make all the challenging statements, ask a number of important questions and give a sound Biblical response.
